Dear Mr. Miles:

This is in reply to your letter of February 9, 1962 regarding the crash of the Sabena Belgian World Airlines Boeing 707 at Brussels on February 15, 1961. You ask if the Belgian authorities have issued a report on this accident.

The investigation of this accident is, of course, under the complete jurisdiction of the Belgian Government. Information available to us indicates that the official enquiry into the probable cause of the accident is still in process and no official statement as to probable cause has been made by the Belgian authorities.

We have no information as to when the Belgian authorities might complete their enquiry and issue an accident report. However, we have made note of your interest and will be pleased to inform you at such time as the report is issued.

Sincerely yours,

Henry T. Snowdon
Chief
Aviation Division

Mr. William B. Miles,
4800 Greenwood Street,
Skokie, Illinois.
